

COMPASS ATHLETIC BOOSTER CLUB SCHOLARSHIP

Welcome to the CABC Athletic Scholarship Program

We are thrilled to invite student-athletes to apply for our annual athletic scholarship. In line with our dedication to promoting both educational and athletic excellence, we are excited to share that 10% of the funds raised from the CABC Annual Golf Tournament will be directed towards the Scholarship Fund. The total number of scholarships to be awarded will be decided after the tournament funds are allocated. For the year 2025, we expect to offer six scholarships, each worth \$1,000.

The scholarship funds can be utilized at various educational institutions, such as colleges, universities, trade schools, technical institutes, and vocational programs.

Application Requirements and Instructions

- The form must be completed in its entirety to be considered eligible.
- A copy of your complete and up-to-date transcript must be submitted with your application.
- One letter of recommendation from a school teacher, coach, counselor, or other school auxiliary support is required.
- 1 to 2 minute video explaining a memorable moment or experience as you reflect on your years as a Compass Cougar athlete and what it means to be a Compass Cougar.

Important Notice: Athletes who have been awarded a full athletic scholarship at any college or university are ineligible for a scholarship through CABC. Scholarship funds can be applied towards tuition, fees, books, room and board, or any other necessary expenses required by your college or university. If you are chosen to receive a scholarship, you will receive instructions and a disbursement form to claim your funds. Additionally, please be aware that in certain situations, these funds may be regarded as taxable income by the Internal Revenue Service. We recommend consulting your tax advisor for guidance.*

Submission Deadline

The deadline for submitting all applications is May 1, 2025, at exactly 5:00 PM. Only those applications that are submitted by this date and are fully completed will be taken into account. To ensure the correct videos are matched with the applications, each completed application must include all required elements, including the video attachment.
